**8:30-9:00** Students arrive and breakfast pastries available

**9:00-9:15** Introductions

What is an Electric Cooperative?

*Following the introductory session, attendees will be broken into five groups and spend 30 minutes at each of the following stations:*

### **Station 1:**

#### ***Line Tools and Equipment***

See and operate tools lineworkers use to maintain distribution power systems.

### **Station 2:**

#### ***Dress for Safety***

Try on the important gear that lineworkers use to climb poles and handle power lines safely.

### **Station 3:**

#### ***Build a Crossarm***

We'll show you how to build a crossarm and put your skills to the test.

### **Station 4:**

#### ***Underground Work***

Learn how underground distribution systems operate and how to locate conductors in the ground.

### **Station 5:**

#### ***Line Cover***

Learn how to apply proper line cover to electric power lines for safety.
