ACRE Co-op Owners **EVENT OFFERS EXCLUSIVE OPPORTUNITY**

On Sept. 17, approximately 115 Firelands Electric members and employees gathered for the cooperative's 2021 ACRE Co-op Owners for Political Action breakfast and legislative update.

Local and state government officials representing portions of Firelands Electric's four-county service territory participated in the event, which was held at the cooperative's facility in New London. Attendees were brought up to date on legislative issues currently affecting electric cooperatives and their local communities. Topics included federal assistance for rural electric utility infrastructure projects, access to broadband internet, and improved electric reliability.

Ohio Representative Marilyn John opened the presentations with a discussion on growing employment staffing issues, the importance of workforce development, and improving education. Ohio Representative Darrell Kick spoke on Ohio's redistricting process for congressional and state legislative boundaries, which are redrawn every 10 years following the completion of the United States census. Ohio Representative Dick Stein addressed the crowd regarding energy concerns and renewable projects affecting the Buckeye State, and Ohio Senator Nathan Manning concluded the program by focusing on federally funded projects that benefit rural Americans.

Firelands Electric hosted the ACRE Co-op Owners breakfast in order to develop and foster relationships with legislators, while also providing a face-to-face forum for co-op members to meet and communicate with their elected officials. This exclusive event also recognized and thanked our members who invest in ACRE Co-op Owners for Political Action. As the consumer arm of the Action Committee for

Rural Electrification (ACRE), which is the political action committee for the nation's electric cooperatives, ACRE Co-op Owners strives to increase legislators' awareness of what electric cooperatives are and how they benefit their communities. The group supports government officials who, regardless of their political party, advocate for the needs of co-ops and their members.

Firelands was pleased to offer this opportunity for our ACRE Co-op Owners members to interact with their elected officials. Just as we like getting first hand information and insight from our legislators, they like hearing directly from the residents of their districts. As a member-owned cooperative, Firelands looks forward to these type of grassroots events, which provide a forum for local voices to be heard at the state level and beyond.

Additional photos from Firelands Electric's recognition breakfast may be viewed on the cooperative's Flickr page at www.flickr.com/photos/firelandsec/albums.

Above, Firelands' General Manager Dan McNaul addresses members during the cooperative's recent ACRE Co-op Owners Recognition Breakfast.

For just \$25 a year, Firelands Electric members can participate in ACRE Co-op Owners and support legislators who advocate for rural Americans. To learn more, visit www.firelandsec.com/acre-political-action-committee. Co-op members can also submit the form below to enroll. Mail completed forms to: Attn: ACRE Co-op Owners, Firelands Electric Cooperative, PO Box 32, New London, OH 44851.

I want to help keep the voice of rural electric cooperatives heard in the political process by participating in ACRE Co-op Owners for Political Action.

YOUTH PROGRAMS

PHOTO CONTEST WINNERS

Firelands Electric Cooperative is pleased to announce the winners of our recent back-to-school photo contest.

During the months of August and September, Firelands invited members of the cooperative with school-aged children to submit their most creative back-to-school photos. Entries were then judged on their creativity for a chance to win one of two prize packages.

The entry submitted by the Detterman family of New London was selected by our judges as the most creative photo. Kaitlyn, Kade, Makayla, and parents Kurt and Maria received a grand-prize package valued at \$100. The package included several electricity- and energy-themed games, activities, and books, along with coupons for fast food and ice cream and an assortment of Firelands Electric swag.

Kenley and Noah Miles of Loudonville, along with parents Mitchell and Morgan, were

chosen as the runners-up. The family received a prize package worth \$30, which included a Snap Circuits kit, coupons for ice cream, and Firelands Electric gifts.

A big thank you to all of the families who entered! To view additional contest photos, visit our online gallery at www.flickr.com/photos/firelandsec/albums.

TYNLEY COOK

ZAYNE LESLIE
HURON COUNTY

This summer, Firelands Electric Cooperative held its second Virtual Junior Fair. Parents with 4-H and FFA students participating in the Ashland, Huron, Lorain, and Richland county fairs we asked to send us photos of their child with their projects. The cooperative received nearly two dozen photos, which were posted on our Facebook page each day throughout their respective fair week. "This simple program is a fun way to help area youth show off their hard work and accomplishments in 4-H and FFA," says Communications and Member Relations Specialist Tracy Gibb. "We hope that the response to this virtual event will continue to grow in future fair seasons."

CO-OP NEWS

2021 CHRISTMAS LIGHTING CONTEST

Firelands Electric Cooperative invites members to submit a photo of their indoor or outdoor Christmas lighting display for a chance to win a \$50 bill credit.

Members are encouraged to email a digital photo of their display to members@firelandsec.com (maximum of 10 MB) from Nov. 22 through Dec. 26. Be sure to put "Christmas Lighting Contest" in the subject line and include your name, address, and phone number. Photos may also be mailed to: Christmas Lighting Contest, Firelands Electric Co-op, P.O. Box 32, New London, OH 44851.

Submitted photos will be posted in an album on Firelands Electric's Facebook page, where the public can vote for their favorite. One winner will be chosen every Monday morning (Dec. 6, Dec. 13, Dec. 20, and Dec. 27). The photo receiving the most likes at the end of each new contest period will be declared the winner and will receive a \$50 credit on their next Firelands Electric Cooperative bill.

Limit of one entry/photo and one prize per member address. Visit www.firelandsec.com/contests for complete rules.

The Firelands Electric office will be closed

Nov. 25 and 26

so that our employees may enjoy the holiday with their families. As always, emergency service is available 24/7 by calling 1-800-533-8658.

Happy Thanksgiving!

NOTICE:

Beginning on the November bills, slight changes will be made to WPA calculations to compensate for previously deferred balances. For additional information, please refer to our website at www.firelandsec.com/meters-and-billing.

2021 USO OHIO STEP UP FOR SOLDIERS

Since 2007, Firelands Electric Cooperative has supported U.S. military personnel during the holiday season — and we are proud to continue this tradition in 2021.

Firelands Electric is once again joining forces with local radio stations WLKR-FM and K96-FM to support USO Ohio's Step Up for Soldiers annual drive.

Beginning Veterans Day, Nov. 11, and running through Friday, Dec. 10, members of Firelands Electric and the community can bring care package items to the co-op office, located at 103 Industrial Drive in New London. Items may be dropped off in the collection boxes located right inside the front entryway during regular business hours, Monday through Friday, 7:30 a.m. to 4 p.m.

Care packages are currently tailored toward service members who have been activated in response to the COVID-19 pandemic. USO Ohio requests snacks and

hygiene essentials for this year's packages. Suggested donation items include razors, cotton swabs, tissues, deodorant, toothpaste, eye drops, ear plugs, playing cards, chewing gum, hard candy, beef jerky, trail mix, and snack packs.

Additional information and a list of recommended donation items is available on our website at www.firelandsec.com/uso-northern-ohio as well as on our Facebook page.

If you would prefer to make a tax-deductible monetary donation, the USO accepts these year-round. Please visit <https://ohio.uso.org> for details.
