TERMS AND CONDITIONS

Effective Program Dates: July 1, 2025 through June 15, 2026

• \$100 REFRIGERATOR & FREEZER REBATE*

Refrigerators and stand-alone freezers between 10 and 30 cubic feet can qualify for a \$100 rebate from Firelands Electric Cooperative, as long as the old appliance is disposed of and the new appliance is installed at a location served by the cooperative.

• \$50 DISHWASHER, CLOTHES WASHER & CLOTHES DRYER REBATE*

Electric dishwashers, clothes washers, and dryers can qualify for a \$50 rebate from Firelands Electric Cooperative, as long as the old appliance is disposed of and the new appliance is installed at a location served by the cooperative.

• \$25 DEHUMIDIFIER REBATE*

Dehumidifiers can qualify for a \$25 rebate from Firelands Electric Cooperative if it has a minimum capacity of 50 pints/day and the new appliance is installed at a location served by the cooperative. (Proof of removal is NOT required for dehumidifiers.)

• Member is required to provide a copy of the purchase receipt that shows the new appliance was installed in a home or facility served by the cooperative. Documentation showing that the old appliance was removed/recycled from the home or facility is also required to be eligible for the rebate (NOT required for dehumidifiers). **NOTE: With January 1, 2026 program updates, appliances purchased after November 1, 2025 are not required to be ENERGY STAR-certified. Those purchased before this date, but within the past 12 months, must have this certification to receive a rebate.**

- All rebates are issued in the form of a credit to the member's electric account.
- Rebates may not exceed the purchase price. Appliances must have been purchased and installed in the past 12 months.
- If you pay less for your appliance than the rebate amount, you will receive the amount you paid.
- A maximum of six appliance rebates, totaling \$375, may be paid per home/facility per current program year.

***Firelands' appliance rebate budget is limited. Offer expires when funds are depleted on a first come, first served basis, or when the program is discontinued. NEW CONSTRUCTION AND USED APPLIANCES DO NOT QUALIFY.**

.....
I acknowledge that the information on this application is accurate and complete. I confirm that I have read, agree with, and understand the terms and conditions of this application and program, and that I have the authority to execute (or execute on behalf of my company/corporation).

COOPERATIVE APPLIANCE REBATES

NOTE: As of January 1, 2026, Firelands Electric will no longer require appliances to be ENERGY STAR-certified to qualify for a rebate. All other rebate requirements remain in place. (Applies only to appliances purchased November 1, 2025 and after.)

Cooperative members who replace an existing electric appliance from the list below with a new model meeting the requirements stated can qualify for a rebate from Firelands Electric Cooperative.

- **\$100 REFRIGERATOR & FREEZER REBATE***
Refrigerators and stand-alone freezers between 10 and 30 cubic feet can qualify for a \$100 rebate from Firelands Electric Cooperative, as long as the old appliance is disposed of and the new appliance is installed at a location served by the cooperative.
- **\$50 DISHWASHER, CLOTHES WASHER, & DRYER REBATE***
Electric dishwashers, washers, and dryers can qualify for a \$50 rebate from Firelands Electric, as long as the old appliance is disposed of and the new appliance is installed at a location served by the co-op.
- **\$25 DEHUMIDIFIER REBATE***
Dehumidifiers with a minimum capacity of 50 pints/day can qualify for a \$25 rebate from Firelands Electric Cooperative, as long as the new appliance is installed at a location served by the cooperative. *Proof of removal NOT required for dehumidifiers only.*

SPECIFIC REQUIREMENTS

This rebate is only available to members of Firelands Electric Cooperative. The current rebate program is effective July 1, 2025 through June 15, 2026. Appliances must be purchased and installed within the past 12 months to qualify for rebates and incentives, and the **existing appliance must be recycled/removed from the home or facility** (except for dehumidifiers). (NOTE: With the January 1, 2026 program update, appliances purchased after November 1, 2025 are not required to be ENERGY STAR-certified. Those purchased before this date, but within the past 12 months, must have this certification to receive a rebate.)

Members are required to provide a copy of the purchase receipt showing that the new appliance was installed in a home or facility served by the cooperative. Documentation showing the old appliance was removed from the home or business is also required to be eligible for all rebates, except for dehumidifiers.

All rebates are issued in the form of a credit to the member's electric account. Rebates may not exceed the purchase price, and items must have been purchased within the past 12 months. If you pay less for your appliance than the rebate amount, you'll receive the amount you paid. A maximum of six appliance rebates, totaling \$375, may be paid per member service location during the current program year of July 1, 2025 through June 15, 2026. *New construction and used appliances do not qualify for this rebate.*

All appliance rebate forms can be completed and downloaded from Firelands Electric Cooperative's website, www.firelandsec.com/member-programs.

***Firelands' appliance rebate budget is limited. Offer expires when funds are depleted on a first come, first served basis, or when the program is discontinued. New construction and used appliances do not qualify.**
